5-) CONTEST RULES :

The latest FAI F3J and F5J Rules.

Organizers are not responsible for any kind of damage either to a property or to the health of competitors. All competitors are personally responsible for damage they make either themselves or each other.

6-) APPLICATION :

We will register maximum **60 pilots** for each contests. Also, the maximum number of the teams will be 12 with maximum 5 pilots in each team in F3J category. If you have any team preferences, please send us this information, we will try to form your teams accordingly but organiser may change or amend the team compositions during the matrix preparation.

Please make your preliminary registration as soon as possible, for preliminary listing. Also, for final (confirmed) registration, we will need your flight tickets and we can only confirm your place after receiving your flight information, like in the previous years. Therefore, please also send us your flight tickets as soon as you get them.

7-) ENTRY FEE AND LOGISTICS :

Entry fee is 40 Euros for senior competitors in F3J and 40 Euros for senior competitors in F5J. For junior competitors registration fee is 20 Euros in F3J and 20 Euros in F5J.

We will provide free of charge lunch for the registered pilots on the contest days. There will not be any additional charge for the lunch.

You can pay the registration fee at the field. If you bring helpers or family members with you, they can also benefit from lunch service either for 8 euros/day.

All the pilots should arrange their own flight tickets to Ercan Airport. On the other hand, Organiser will arrange all the transfers from the airport to the hotel, from hotel to the field etc. during your stay free of charge. There will not be any cost for the transfers.

8-) LANGUAGE :

Contest languages are English and Turkish.

9-) LODGING :

The cost of accommodation is 30 euros per night per person.

If you are planning to come in advance or stay longer after the contest, please contact with us so that we can give you recommendation about the possible accommodation options and costs before and after the contest!

10-) TRANSPORTATION :

All the pilots are expected to cover their flight tickets to Ercan Airport. The organiser will cover the cost of all the transfers of all participants including pilots, helpers, and supporters in the country.

11-) FREQUENCIES :

Pilots must have at least 2 pairs of crystals - 35, 40, 72 MHz, or 2.4 GHz

12-) HELPERS :

All the helpers you bring with you are your own cost. The details about the accommodation, transfers and lunch at the field are explained above.

13-) REGISTRATION :

For registration, please contact to the website, <http://gecitkalecup.com/> For the confirmed registration we will need flight ticket information. In case of any problem or any question you can contact with us via the email below: erel.cankan@gmail.com

Please pay attention that we need your flight tickets to confirm your places for the contest. Therefore, we strongly recommend all pilots to send us their flight information as soon as possible to confirm their places.

Deadline for the final registration is 5th March 2020.

Looking forward to see you all in March.

Historically, we have beautiful and sunny weather conditions in March!
